Course Objectives & Syllabus Overview

Be prepared to sing anywhere

After completing this course you will be able to

- Determine the best key
- Choose a style
- Count the correct tempo for the band
- Develop your own basic arrangement
- Create a lead sheet (instrumentalists will love you)
- Lead the band
- Practice performance and microphone skills

Has this ever happened to you?

- You name the song you want to sing and the band plays it in an uncomfortable key. We'll fix that here
- You want to do your song a particular way but the band has a different idea of how to do it. We'll fix that here
- You want to do the song in this tempo and the band plays it way too fast we'll fix that here, and more!
